## About MAHE

Manipal Academy of Higher Education (MAHE), located in Manipal, Karnataka, India, is a prestigious and renowned institution dedicated to providing top-notch education and research opportunities. Established in 1953, MAHE has consistently ranked among the leading universities in India and Asia.

MAHE Bengaluru is carrying on the legacy as an off-campus centre of MAHE, Manipal and, thrives in providing holistic education to students with state-of-the-art infrastructure, well-qualified experienced faculty, and mentors.

The programmes offered at MAHE Off Campus Centre, Bengaluru are diverse and contemporary. With a commitment to producing well-rounded individuals who are prepared to excel in their respective fields, MAHE, Bengaluru continues to be a hub of academic and intellectual growth.

## About MLS

Manipal Law School fosters a holistic academic environment in a state-of-art infrastructure enabling students to have inclusive access to progressive, adaptive, and innovative legal education. MLS is the right destination for the harbingers of change and hence strives for a paradigm shift in the field of legal education with its thrust of the programs oriented towards the convergence of Law with Technology to meet the requirements of the globalized world.

The multidimensional worldview and the correlated studies and research within an interdisciplinary environment at MLS foster a conducive platform leading to a wide-ranging scope of career prospects in the global market.

In this data driven world, data privacy and cyber security has come to the forefront in our daily lives. With recent introduction of data protection laws in India, there is a demand for expert lawyers in this field. MLS is therefore striving to impart knowledge and help its students build expertise in this very interesting field of technology and law. MLS is also focusing on providing the students with a global perspective of laws which govern data practices around the world. The courses have been designed in a manner where students can learn from the experience of professionals working in data privacy.

**Prof. (Dr.) Avinash Dadhich**

LLM (France), PhD (UK) &  
IVLP Fellow (USA)

Director, Manipal Law School,  
MAHE Bengaluru Campus

“At MLS, we are focusing on reforming legal education and are building expertise in the niche upcoming areas of laws. Providing opportunities for building and growing professional network, we are striving for a holistic development of our students to ensure that they can add value to the real world outside MLS campus.”

# LLM in Data Privacy and Cyber Law (Regular Mode)

*#Corporate placement focused program*

## About The Program

LLM in Data Privacy and Cyber Law is a specialized master's degree programme that focuses on the legal aspects of data privacy and cybersecurity. It provides a comprehensive global understanding of the laws, regulations, and best practices surrounding the protection and regulation of personal data, along with competency in dealing with cyber-attacks and information security.
